

## Orthopedic Products

### DalcoGel Ankle Brace

- Indicated for ankle strains, sprains, and instability.
- Air and gel filled pads can be placed in the freezer for cold therapy or in hot water for heat therapy.
- Provides medial and lateral support to the ankle while allowing full plantar flexion and dorsi flexion.
- Small, medium, and large. Universal left/right.

ITEM NO. 200101 – 200103

### AstroAir Ankle Brace

- Indicated for ankle strains, sprains, and instability.
- Pre-inflated, adjustable air bladders provide superior support and stability.
- Straps wrap anatomically and allow counter rotation.
- Small, medium, and large. Universal left/right.

ITEM NO. 200104 – 200106

### Action Ankle Brace

- A sports brace designed for the prevention and treatment of ankle strains, sprains, and instability.
- Air and gel filled pads can be placed in the freezer for cold therapy or in hot water for heat therapy.
- Universal size. Universal left/right.

ITEM NO. 202100

### Night Splint

- Indicated for plantar fasciitis, Achilles tendonitis, and other lower extremity overuse injuries.
- Adjustable flexion straps provide a gentle stretching of the plantar fascia and Achilles tendon.
- Lightweight, low profile shell with a soft foam interior.
- Small, medium, and large. Universal left/right.

ITEM NO. 200901 – 200903
